Award Winning

"A dish is only as good as the hands that craft it. At Roostertail, we take pride in having the best in the business—chefs who don't just cook but create experiences on every plate."

—Michael T Schoenith

Chef John

The Fire Behind the Flavor

"Cooking isn't just about ingredients; it's about the energy behind them."

Chef Vonzell

The Architect of Taste

"Cooking is chemistry, but great food? That's pure magic."

Chef John doesn't just cook—he commands the kitchen with an energy that transforms every dish into a spectacle. Whether he's searing a perfectly seasoned Filet Mignon to melt-in-your-mouth perfection or putting the finishing touches on our Parmesan-Dusted Airline Chicken Breast, every plate he creates is a balance of bold flavor and finesse. His philosophy? Great food should be as thrilling as the moment you're celebrating.

Chef Vonzell believes in precision, technique, and letting ingredients shine. His expertise brings elegant, well-balanced dishes to life—like our Stuffed Bell Pepper, filled with seasoned quinoa and vegetables, or the perfectly cooked Lemon Butter Glazed Salmon with a citrus-kissed finish. Every dish is crafted to leave a lasting impression—because unforgettable nights deserve unforgettable flavors.
